

EXISS

THE MARK OF EXCELLENCE

ALL-ALUMINUM LIVESTOCK TRAILERS

A BETTER TRAILER

Rugged, durable and dependable Exiss[®] Livestock Trailers have been the choice of cattlemen for their solid construction and its great reputation for value, it's easy to see why. Since 1994, Exiss has built top-of-the-line trailers that have set the standard for quality, dependability and value. Today, our standards are still the same. We build trailers that last, hauling your livestock year after year.

**GUARANTEED EXCELLENCE
IS OUR COMMITMENT**

Exiss is a proud member of the **National Association of Trailer Manufacturers (NATM)**. Every trailer that Exiss builds meets or exceeds the requirements set forth by the NATM.

r decades. With Exiss' sturdy all-aluminum
-the-line aluminum livestock trailers that set
trailers to live up to the rugged demands of

ENGINEERED EXCELLENCE

Features like a large 54" side access door, full-length running boards, extruded fenders and EZ Lube axles are examples of how an Exiss trailer is engineered to make your life easier.

INTERIOR DURABILITY

We use 1 5/8" x 3" side posts, 2" x 4" I-Beams, sturdy sidewall extrusion and an interlocking extruded aluminum floor so that your trailer will hold up to the heaviest of loads.

EXTERIOR STRENGTH

Our 6" rear post, heavy-duty cam locks, stout rear gates, five rear hinges and lower gussets make sure that our products will continue to deliver for the long haul.

EXPRESS LIVESTOCK MODELS

The Express STK models are affordable 6'8" wide gooseneck and bumper pull trailers suited for hauling any type of livestock to and from your farm or ranch. The trailer is perfect for smaller operations or a second run-around trailer for larger producers.

STC STOCK COMBO MODELS

THE DEFINITION OF VERSATILITY

The Exiss stock combo (STC) models are a great solution for livestock and horse owners who need a versatile trailer with additional storage and functionality. With a spacious tack room to store your necessary equipment, as well as an optional saddle rack and tack equipment, they combine the rough and rugged aspects of an Exiss livestock trailer with the convenient features of an Exiss horse trailer.
