LIVING QUARTERS OWNER'S MANUAL

THANK YOU!

DEAR EXISS TRAILER OWNER,

Thank you for your purchase of an Exiss trailer. Exiss living quarters trailers are built with great pride, quality and customer service second to none. We value you, our customer, and we hope we can be of continued service to you now and in the future.

This owner's manual details the operation of your Exiss Interior. Please read it thoroughly and have all users follow the instructions carefully. Doing so will help you enjoy many years of safe and trouble-free trailer use.

This manual includes the latest information at the time it was printed. We reserve the right to make changes in the product after that time without further notice. In the event your trailer is sold to a new owner, it is advised that the manual be passed along with the trailer.

The safety of you and your animals is the highest priority, and we have achieved our safe designs with extensive research and technology for all features on our trailers. However, as a trailer owner, it is your responsibility to be familiar with your new trailer and follow the maintenance instructions to ensure that you enjoy many years of safe hauling! We have established a strong network of Exiss dealers nationwide, and you would be wise to consult with or work with them for any service or maintenance issues of your trailer and living quarters.

As you begin to use your new Exiss trailer, this owner's manual will allow you to become more familiar with the operation, maintenance and care of your living quarters.
